MEMBERSHIP CLASS

"LUNCH WITH THE PASTOR"

You are invited to join Lead Pastor Rob Renberg **November 29 from 11:34-1:23 p.m.** for an informative time of learning about Anchor Point and our love for God, People and Life. He will be introducing you to our leadership team and sharing the values and vision that provide the foundation for our many special teams serving in ministry. This **"LUNCH WITH THE PASTOR"** class is a place to meet others on your spiritual journey and explore opportunities to be part of our great church team and family here in Norton Shores.

The **Pastor's Lunch Class** is a prerequisite for anyone desiring to become a new member at Anchor Point Bible Church, but it also serves as a starting point if you are new to our church and want to get to know us. So here's your opportunity to continue finding your way in the life of our church and to see our mission and vision to **impact people for Jesus Christ** as we serve our community, encouraging personal spiritual growth in an atmosphere of grace, forgiveness and acceptance.

So whether you're new here or you've been around a while, you'll learn about what we believe from God's Word and why it's important to us. Do you have some questions? This is an opportunity to discover more about your "new" church and make new friends as well! **RSVP with the tear off slip below in our "Office Box" (outside the office!)** so we know how many people to plan for.

P.S. You don't have to become a member if you attend this class! If you just want to get to know Pastor Rob better and learn more about Anchor Point, feel free to be a part of this time of fellowship and learning! **Please RSVP and join us!**
