As Christians, it is vital we know and understand our **IDENTITY in Christ**. And the foundation of that **IDENTITY** is our position **in Christ**. To embrace our true **IDENTITY in Christ**, we must first believe what Jesus did for us. Second, we must accept who God says **we are in Christ** rather than how the world tries to identify us.

Knowing our **IDENTITY in Christ** gives us the boldness to face life's issues, stand our ground against the wiles of the devil and live holy lives worthy of our new **IDENTITY** and calling **in Christ**. This happens through the renewal of our minds with the Scriptures regarding our **IDENTITY** and what God has done for us **in Christ**.

Our new Sunday morning **IDENTIFIED** sermon series will build on the foundations of the Letter to the Ephesians. The Apostle Paul wrote this letter to a growing church that still struggled with their **IDENTITY**. He knew they had all they needed to flourish in their Christian lives, but needed to better understand and appropriate their great position as heirs with Christ and all that they had been given **in Him**.

And it's still true for us today. The more we know of who God has created us to be **in Christ**, and the fullness of our **IDENTITY in Him**, the more we can experience His joy and victory in the Christian life. This series will help you grow in your **IDENTITY**.

Plan to join us each and every Sunday morning! If you are unable to be here on a Sunday, you can watch online (www.AnchorPoint.love) so you won't miss any of these portions of Ephesians that are so life changing! And remember — Invite a friend to church soon! You are the reason we are growing as a church family and fulfilling our mission to Love God and Love People as we Love Life... **IDENTIFIED!**
