

IT TAKES TIME TO KNOW YOURSELF. IT TAKES TIME AND ETERNITY TO KNOW CHRIST.

∴ Spiritual growth doesn't happen overnight. It involves days of sunshine and nights of storms. Character, like fruit, takes time to mature as it is nourished by the source of life.

Our new morning sermon series will build on the foundations of the New Testament book of **First Timothy**. The Apostle Paul wrote this letter to a young pastor and his growing church needing a fuller knowledge of Christ and in so doing, sent a call to Christian maturity. This epistle carries priceless truths about growing a spiritually healthy church the right way...for the right reasons.

Christians have a lifelong goal: To become like Christ. This involves change, and change isn't always easy. But the more you know of God's purposes for you, the more you can experience His joy and participate in His plan. This practical and relevant study of First Timothy, coupled with your own devotional life and study will help you grow in Christlikeness and His Image.
