

VBS Prayer

Please cover VBS with prayer as we serve the children this week.
Below are some suggestions to get started.

Pray for the children who will attend:

- That we will have a large number of children.
- That each child will be attentive and understand each night's lesson.
- That each child will remain healthy and safe.
- That many children will accept Jesus as their Savior.
- That each child will see the love and joy of Christ shine through us.

Pray for each staff volunteer:

- That each of us will be able to set aside fatigue and concerns from the day.
- That each will remain healthy and safe.
- For patience when needed.
- That God grants us wisdom, discernment, and patience.
- That we will serve with enthusiasm, love and joy.
- That we will bond with the children.

Pray for VBS in general:

- Lessons will be clear and understood.
- Equipment will function properly.
- That each evening and each area goes smoothly and as planned.

*O God, hear my prayer; give ear to the words of
my mouth. Psalm 54:2*
