

The Church Board is pleased to send our Pastor, Dr. Rob & Amy Renberg to Turkey to represent Anchor Point Bible (Berean) Church as the sending and first supporting church of Jim and Renata Bultema (Grandson of church founder Harry Bultema). The Bultema's have been serving as missionaries with TEAM in Turkey since 1990. SPCC began in 1999 and many others will be joining the 3 day celebration on Oct.18-20. Pastor Rob will be presenting greetings and a message from our church and will be giving SPCC a gift celebrating their anniversary. The Bultema's will also lead a tour of the Seven Churches of Revelation before the anniversary weekend. Jim & Joyce Webb are also going, along with many friends of the Bultema's ministry from the USA, Hong Kong, the Netherlands, Switzerland, England, and Colombia, all traveling to the ancient biblical sites. Please pray for safety in travel and for a fruitful tour and visit that will surely enhance our pastor's ministry for years to come!
