

New Adult Sunday School Class begins Today at 11:11 a.m.!

Words unfamiliar to most Americans are now heard daily on the evening news: jihad, islam, allah, quran, fatwa, imam, ummah, ramadan. Today, Islam is the fastest growing religion in the world, with thousands of mosques in North America alone.

Now that Muslims are our neighbors, how do we talk to them about Christ? What do Muslims think about Jesus? Which beliefs do we share in common with Muslims and where do we differ from them? Do we worship the same God they worship? Is the Father of Jesus the God of Muhammad?

Noted theologian and best-selling author, Dr. Timothy George helps to answer these and other questions in this visually rich 4 part series on DVD. The series avoids the angry condemnation of all Muslims on the one hand, or a compromising of Christian truth-claims on the other. Muslim views are stated fairly and objectively from Muslim scholars who appear in the series. You will find the basic and foundational differences between Christianity and Islam and the implication for how we understand God, Christ, and the meaning of salvation. Discussion will follow each DVD presentation.

Our topics will cover: 1) The Tenets of Islam; 2) The Trinity; 3) The Bible and the Incarnation; and 4) The Cross and Salvation.

Ephesus, Smyrna, Pergamos, Thyatira, Sardis, Philadelphia, Laodicea. Real churches that existed in Asia Minor (modern Turkey) during the first century A.D. All of them, located along a major Roman Road, began with great hope and promise...but nothing remains of these churches today. What happened to them and what can we learn from the message the Lord gave the Apostle John to write to each church? Is the message only for and about the

future, or can we learn today in this age of Grace from their example of strengths and flaws?

Pastor Rob and Amy's recent trip to the location of these 7 churches and other places in Turkey provides the backdrop for this new Men's Bible Study that will meet on the 2nd and 4th Tuesdays beginning **Tuesday, February 11 at 6:30 p.m.**

We'll explore the history and importance of each city with fresh insights from Pastor Rob's time

abroad and study the context of the messages, what they meant for the original churches and what lessons they have for us today with a dispensational perspective on the book of Revelation and the vision that

John received for each very

real and very local church. We will hear from

great Bible teachers such as Joe Stowell and Ray VanderLaan

with a variety of resources to enhance our learning

and spiritual growth as we

consider God's Word and it's impact for us and on us today.

*Join your brothers in Christ on the
2nd and 4th Tuesdays of each month*
